

The board is pleased to announce that, starting October 1st, Valorie Higgs has been hired to take on the role of our office coordinator. Valorie has been involved in the Battlefords for many years in varying venues. We thank Barb for agreeing to be a mentor and trainer for Valorie in the many responsibilities and procedures involved in the office. I know you will join with me in welcoming Valorie into our church family and we look forward to working together in the future.
