*'We seek to love and care for all of God's Creation through worship and work in Christian Community'*

July 2023

### Church Newsletter July 2023

Hello everyone. As we enter the summer season, I trust you are keeping well (and cool). Over the past several months, we have had a busy schedule with a lot of events and activities being carried on within our church and community. Thank you for your continued support in what we do. Traditionally, the summer months is when activities within our church tend to slow down as we all enjoy our Saskatchewan summers and special family times.

While we value our "away" time, we ask that you remember that Third Avenue continues to operate and financial commitments for keeping our church humming don't seem to take holidays. For example, the replacement of our alarm system panel will cost of over eight thousand dollars and our insurance bill for the church is almost sixteen thousand. While we may not come to church as often, this is a reminder of some of the ways that you can continue supporting Third Avenue United during those times. For those signed up on P.A.R., the pre-authorized debits from your account are an easy way to continue your support regularly whether you're in church or not. For those who enjoy our services on-line and wish to help support what we do in our community, another option you may wish to consider is we now accept E-transfers. This is a safe and secure method to transfer funds directly to the church via the internet. All you require is our e-mail address which is [thirdaveunited@sasktel.net](mailto:thirdaveunited@sasktel.net) and the key word in the security process "payment" . Please contact our office if you need more information on this option.

We appreciate your support in any way you can, and we hope you can include participating in our Sunday services and events when able.

Have a great summer and hope to see you in church.

Respectfully submitted:

Brian Welford
